

# The Brattleboro Daily Reform

VOL. 4. NO. 33.

BRATTLEBORO, VERMONT, FRIDAY EVENING, APRIL 7, 1916.

TWO CENTS.

## SUSSEX SUNK BY TORPEDO

Washington Convinced That  
the Attack Was Made by  
German Submarine

## SITUATION GRAVEST SINCE WAR STARTED

No Definite Steps to Be Taken Until  
Germany Has Replied to the In-  
formal Inquiries — Col. House in  
Council with President.

WASHINGTON, April 7. — When President Wilson met the cabinet today he was yet without definite official information from the German government as to whether its submarines were responsible for the attacks without warning on the channel steamer Sussex.

Lacking such information members said action would not be taken, although the administration is almost convinced that the Sussex with her 25 American passengers was the victim of a German submarine.

Members of the cabinet were not inclined to take an optimistic view of the situation, but were hopeful that events in the next few days would prevent a break with Germany either by proof that she was not guilty of the Sussex attack or by reparation or explanation that would be satisfactory.

The state department had not received today any inquiry from Germany for more information in the case reported in news despatches to have been forwarded from Berlin.

There was reason to believe the United States will not further reveal information it holds until the German government has admitted or denied responsibility in the Sussex case.

Reports of a U. S. naval attaché, saying fragments found on the channel steamer Sussex bore distinctive markings showing them to be parts of a German torpedo, and despatches telling of scores of submarine attacks on neutral and other unarmed merchant ships within the last two weeks were studied at conferences yesterday between President Wilson, Col. E. M. House and members of the cabinet.

The attaché's reports are regarded at Washington as virtually conclusive proof that the Sussex, while carrying 25 American citizens, was attacked in violation of solemn and reiterated assurances given the United States by Germany. With this fact apparently established, it is generally conceded that the United States is confronted by a situation more grave than any which has arisen since the outbreak of the war.

It was said authoritatively again last night, however, that no definite step will be taken by the American government until Germany has replied to the informal inquiries submitted by

## SWEDISH STEAMER SEIZED BY BRITISH

Swedish Government Has Protested  
and Asked Release—More Vessels  
Torpedoed.

LONDON, April 7.—The capture by a German torpedo boat of the Swedish steamer Vega, from Stockholm for Copenhagen, is reported in an Exchange telegraph despatch from Copenhagen. The message says the Swedish government has protested against the capture and demanded the release of the steamship.

COPENHAGEN, April 7, via London.—The Swedish steamers Hakan, Hera and Olof, with herring for Germany, have been seized by British warships. The cargoes were valued at a million crowns. It is stated that in future Swedish herring ships will sail within territorial waters.

LONDON, April 7.—The Daily Mail publishes a report that the Peninsula and Oriental line steamer Simla has been sunk in the Mediterranean. It is suggested that this may be the transport reported sunk in an earlier despatch to the Mail. The last mention of the Simla in the shipping records is dated Nov. 23, 1915, and it is presumed that she has lately been employed in the government service.

LONDON, April 7.—Lloyd's announces that the French sailing vessel, St. Hubert, has been torpedoed and may become a derelict. Her crew was rescued.

Ambassador Gerard in the cases of the Sussex, Englishman, Manchester Engineer and Eagle Point. It was declared that word from Berlin was being awaited not so much because information as to what has happened is wanted, but to give Germany an opportunity to present her version and to say what will be done about it.

In view of the evidence collected, it is confidently believed in many quarters that Germany will admit the attack on the Sussex, and unofficial despatches from Berlin have indicated that such an admission undoubtedly will be accompanied by disavowal and offer of reparation.

The only legal weakness in the case of the Sussex it is said, is the fact that no American citizens have sworn not actually see the metal fragments taken from the Sussex and the fact that no American citizens have sworn to having seen the wake of a torpedo before the Sussex was struck. Such affidavits have been received from citizens of other nations.

## GERMANS MAKE GAINS.

Penetrated the First Line of French  
Trenches West of Meuse.

PARIS, April 7.—German forces have penetrated a French trench of the first line between Bethincourt and Chantecourt, according to the announcement made today by the French war office. The locality is in the region west of the Meuse. A French counterattack at once drove them back from a large portion of the position thus seized.

## SITUATION LESS TENSE.

Transportation Staff Officers in Hol-  
land to Be Granted Leave.

LONDON, April 7.—The situation in Holland is apparently becoming less tense, Reuter's Amsterdam correspondent says. An indication of the change is that the officers of the military transportation staff of the state railways will again be granted leave.

## ADVENT CHRISTIAN CONFERENCE MEETS

Quarterly Session Began in Brattle-  
boro Church Last Evening—Will  
Continue Through Sunday.

The Vermont Advent Christian conference began its quarterly session last evening in the Brattleboro church, of which Rev. E. S. Hewitt is pastor. The session is well attended and the addresses are timely and interesting. Meetings will be held through Sunday, and the public is invited.

Rev. A. B. Blanchard of Vershire, vice president of the conference, was the speaker last evening. This forenoon was devoted to deliberations and business. It was decided to put forth a more vigorous home missionary effort the coming year and to seek closer association and fellowship and more hearty co-operation with the Holiness association of Vermont.

This afternoon at 2 o'clock the speaker was Rev. F. H. Leavitt of South Vernon. An address will be given at 7.30 tonight by Rev. L. F. Baker of Plainville, Conn.

Further business will be transacted tomorrow forenoon, and at 2 p. m. the speaker will be Rev. P. G. Lord of Waterbury (Vt.) and in the evening at 7.30 Rev. L. F. Baker of Plainville.

Chronic borrowers owe their success to the fact that there are always persons who have money, but not the moral courage to say no.

## AGAIN ROUT VILLA'S MEN

American Cavalrymen Out-  
witted the Mexicans at  
Their Own Game

## LOSSES TO BANDITS 30 OR MORE KILLED

Engagement Took Place in Aguas Cal-  
ientes—News Is Expected Soon of  
Another Attack by Col. Dodd's  
Forces.

GEN. PERSHING'S CAMP AT SAN GERONIMO RANCH, Mexico, April 3, by aeroplane and motor truck to Columbus, N. M., April 7.—News of the second Villa defeat, which reached here late today, was taken as a sharp moral defeat for the Villa forces because the American cavalrymen had outwitted them at their own game, that of shipping unseen through mountain passes.

The news came in after Gen. Pershing had been out of touch with Gen. Funston for two days on account of bad flying weather and a temporary shortage of gasoline, which prevented the aero squad from carrying messages back to the wireless at his field headquarters.

Losses to the Villa force, given as 30 or more dead and 40 horses or more captured in the Aguas Calientes fight, are not considered as much significant as the manner in which the coup was executed.

SAN ANTONIO, Texas, April 7.—Francisco Villa was at Cieguitillas, 10 miles south of Satevo on April 4, according to Gen. Luis Gutierrez, commanding the Carranza troops in Chihuahua. Gen. Bell received this information from Chihuahua and transmitted it to Gen. Funston today. American cavalrymen are pushing forward a long trail to and beyond Satevo.

Gutierrez reported that Carranza troops engaged 50 Villa men at Cieguitillas, killed 10 and captured two. The prisoners said Villa had left there early in the morning with 100 men, leaving the 50 as a rear guard.

Carranza troops were reported today by American Consul Letcher to be concentrating in the vicinity of Chihuahua. The reason for such concentration was unexplained, but officers at Maj. Gen. Funston's headquarters assumed that it was part of the de facto government's plan of co-operation in pursuit of Villa.

EL PASO, Texas, April 7.—Advance guards of the American expedition hunting Villa are appearing today near Satevo and news that Col. Dodd's cavalry has again come into contact with the Villa force is expected.

The region between Satevo and Parral, where Villa is reported to be heading, is infested with numerous bands of Villa brigands.

American refugees from San Juan del Rio district say that Villa should succeed in uniting these bands he would have a force of 1,000 men and would be in a position to give the advance American troops a hard battle before reinforcements arrived.

Latest official information from the front showed that the American cavalry had penetrated south of San Antonio, Chihuahua, and was still moving southward hard on the trail of the bandits. It is believed that more frequent reports will now be obtained from Col. Dodd, inasmuch as it is now possible for him to relay his messages by courier to Chihuahua City and thence by Mexican telegraph line to El Paso for retransmission to Major Gen. Funston at San Antonio.

WASHINGTON, April 7.—Another engagement between Carranza troops and Villa bandits took place April 4 at Cieguitillas. Ten of the bandits were killed. This information was received at the war department today.

WASHINGTON, April 7.—Persistent reports that American forces in Mexico might be recalled soon are emphatically denied by Secretaries Lansing and Baker. Both declare there is no present intention of changing the orders given to Gen. Funston to "get Villa dead or alive."

## CUPID'S QUEER PRANK.

Thomas Hanson, 71, Took Alice Gallag-  
her, 15, as Wife.

FREDERICTON, N. B., April 7.—An unusual wedding took place here yesterday when Thomas Hanson of Roweno, N. B., aged 71, took Alice Gallagher of Burdett Corner, N. B., aged 15, as his bride.

It was necessary for the groom to secure the assistance of a government official in order to obtain the marriage license, and because local ministers objected to performing the ceremony the chaplain of the New Brunswick legislature was obliged to tie the knot.

## G. H. DANYEW DIES IN CHICOPEE FALLS

Was Well-Known Brattleboro Barber,  
Formerly Proprietor of American  
House and Later a Restaurant.

George H. Danyew, 50, a well-known Brattleboro barber and former hotel man, died last evening in the home of his sister, Mrs. David Duquette, in Hotel Duquette, Chicopee Falls, Mass. He had been in failing health several months and two weeks ago went to the home of his sister.

Mr. Danyew was born in Ferrisburg June 7, 1865, a son of Oliver and Esther (Hanks) Danyew. He came to Brattleboro when a young man and for nearly 25 years was employed as a barber in the Brooks House barber shop. At one time with his brother-in-law, David Duquette, he was proprietor of the American House in Brattleboro, which stood where the American building now stands, and for a time was proprietor of the restaurant in the Judge building on Main street, destroyed in the fire a year ago. He opened a barber shop on Elliot street last summer, which he conducted until forced to close it recently because of failing health.

Mr. Danyew married in Brattleboro, June 6, 1898, Miss Elizabeth Austin, who survives with eight children. They are Ruth, Mary, Elsie, Florence, Margaret, George, Joseph and Julia. He leaves also four brothers, Oliver and Joseph Danyew of Ferrisburg, William of Granville, N. Y., and Hartwell of Middlebury, and four sisters, Mrs. Andrew Sears and Mrs. Frank Larrow of Ferrisburg, Mrs. David Duquette of Chicopee Falls, and Mrs. Oliver Hanks of North Ferrisburg.

The body will be brought to Brattleboro on the 5.30 train this afternoon, but final funeral arrangements have not been made.

## MR. AND MRS. ASHBY OFF FOR COSTA RICA

Brattleboro Station Agent Guest of  
Railroad Men on Eve of Depart-  
ure for Month's Trip.

Station Agent and Mrs. Samuel Ashby will leave Brattleboro this afternoon for a trip of one month to Costa Rica. They will sail tomorrow from New York on the steamship Tenadores of the Great White Fleet of the United Fruit Co. The vessel makes a stop at Panama and in Costa Rica. Mr. and Mrs. Ashby will go to San Jose, where they will visit James H. Burke, former station agent in Brattleboro, now general superintendent of the Northern Railway Co.

Last evening Mr. Ashby was a guest at a theater party and later was present with various articles for himself and Mrs. Ashby, at a large gathering of railroad men in Biaggiotti's ice-cream parlor, where refreshments and music, both vocal and instrumental, made the occasion merry.

## INDIANA G. O. P. CONVENTION.

Harry S. New and Congressman Wat-  
son Nominated for Senate.

INDIANAPOLIS, Ind., April 7.—The state Republican convention, which nominated two candidates for the United States senate and a complete state ticket, adopted a platform and elected four delegates-at-large to the national convention to be held at Chicago in June, was convened by a number of counts for places on the state ticket, but was regarded as harmonious throughout. The 26 delegates at the national convention elected by the 13 congressional districts Wednesday night, and the four delegates-at-large, were instructed to present the name of Charles W. Fairbanks to the national convention as Indiana's choice for the presidential nomination. Mr. Fairbanks's name was cheered every time it was mentioned in the convention. Late yesterday the entire delegation called on Mr. Fairbanks at his home and pledged him their support. Harry S. New, for the long term and former Congressman James E. Watson, for the short term, were nominated for United States senators by acclamation.

## BANDITS MURDER FIFTY.

Victims of Wrecked Train Shot as They  
Attempted to Leave Cars.

LAREDO, Texas, April 7.—Fifty persons, including women and children, were murdered by bandits between Torreon and Zacatecas on March 28, when the marauders wrecked a passenger train, according to word brought here yesterday. The bandits, according to the story told, wrecked the train in a hilly section far from any place of habitation, and shot down the passengers one by one as they emerged from the wreckage. When all the passengers were killed or wounded the bandits set fire to the wreckage and cremated the bodies. A military train following the passenger train reached the wreck soon afterward, but turned back to Torreon without rendering aid. No other details were available.

## GREETINGS TO VETERAN.

Von Hindenberg Has Seen 50 Years of  
Military Service.

BERLIN, April 7, by wireless to Sayville.—The 50th anniversary of the entrance of Field Marshal Von Hindenberg into military service is made the occasion of many tributes to the famous soldier. Emperor William has sent a portrait of himself to the field marshal.

An 11-year-old boy hung himself recently in New York, leaving this note: "Dear Mother and Father, death I think is better than an aching tooth."

## BIG BALLOON BREAKS AWAY

Aircraft Was for Experi-  
mental Use at Pensacola  
Aviation Station

## MAY PURSUE IT WITH ARMY AEROPLANES

Gas Bag Was Fully Inflated, But No  
One Was on Board—Was Valued at  
\$50,000 to \$60,000—May Have Been  
Blown Out to Sea.

PENSACOLA, Fla., April 7.—The new observation balloon, brought to the aviation station here for experimental use in connection with the aerial and water maneuvers by the navy, broke away from its moorings in a high wind early today, and rising rapidly, soon was lost to view.

Telephone notices were sent to Mobile and other points to the westward warning the residents to be on the lookout for the big craft. No one was aboard, but the balloon was fully inflated and naval officers said there was nothing to prevent its remaining aloft for many hours.

The wind was blowing from the southeast when the aircraft left its moorings, shot quickly to the upper current and was swept away to the west.

A later shift in the air current made naval officers fear the balloon may have been carried out to sea.

The airship is said to be worth between \$50,000 and \$60,000. It was received here only a few days ago. How it happened to break away has not been determined. Preparations were made to pursue the craft with aeroplanes as soon as weather conditions permit.

## CRUSH OF WOMEN AT SPECIAL SALE

Extended from Pratt Store Out to  
Street Railroad Track When Doors  
Were Opened This Morning.

The largest crowd that ever attended the opening of a sale in a Brattleboro store was present at the O. J. Pratt store this morning before the doors were opened at 9 o'clock by G. W. Groves & Co. of Buffalo, N. Y., who are conducting the clearing out sale of the Pratt stock.

Women were crowded about the doors and the crowd extended out into Main street to the car track. There was a great jam when the doors were opened, but only a part of the crowd could be admitted to the store at once and it was necessary to look the doors at intervals.

It was impossible to let those who were inside out of the main entrance and they were let out on the second floor, reaching the street again by the stairway that leads from the apartments on the second floor. Many women came from West River valley towns on the morning train and an extra street car was run from West Brattleboro.

The large force of extra salespeople who had been engaged for the occasion did the best they could to handle the crowd, but the rush and jam was such that until nearly 12 o'clock the completion of a transaction was a strenuous process, both for customer and clerk.

Several women became faint in the jam and one was taken to the drug store of W. F. Root. Another woman was taken in the ambulance to the Memorial hospital and was attended by Dr. H. L. Waterman. She was Miss Finn of South Vernon.

## VERDICT FOR \$5,150.

Award in Suit to Recover Insurance on  
Life of O. M. Jones.

MONTEPELIER, April 7.—A jury was empaneled yesterday afternoon in county court, in the suit for \$10,000 brought by Seth C. Rich of Northfield against George H. Cross, a Northfield granite manufacturer. Rich is administrator of the estate of his wife, Margaret, M. Rich who was fatally injured while a passenger in Cross's automobile as a result of the car going over an embankment on Northfield street in Montpelier, Aug. 11, 1915. The case is the first of its kind ever tried in Vermont, it is said. Rich alleges Cross was negligent.

A verdict for \$5,150 was awarded by a jury yesterday afternoon to John L. Spaulding, administrator of the estate of Representative Orrin M. Jones of Warren and his heirs, in a suit to collect \$5,000 insurance policy from the Mutual Life Insurance company of New York. Jones had paid two premiums amounting to \$439 when he died of cancer of the stomach.

## SUBMARINE'S DEADLY WORK.

Neutral Countries Have Lost Over 20  
Vessels in Last Two Weeks.

WASHINGTON, April 7.—The number of neutral vessels sunk recently engaged the attention of officials here today. Unofficial advices say that over 20 neutral ships and more than 25 belligerent vessels have been torpedoed within the last two weeks, most of them without warning.

## ORVIS K. COLLINS GOING TO HINGHAM

Rockingham Superintendent of Schools  
to Receive Higher Salary in  
Similar Capacity.

(Special to The Reformer.)

BELLOWS FALLS, April 7.—Orvis K. Collins, superintendent of schools for the town of Rockingham the past six years, was elected superintendent of the Hingham, Mass., schools Wednesday evening. He will remain here until about May 1, and if his successor is not elected by that time he will divide his time between here and Hingham until a man is found to take his place.

Mr. Collins was born in Vergennes and graduated from the Vergennes high school. He graduated from Middlebury college with the class of 1902 and for three years was supervising principal of the Wallingford (Vt.) high school. From there he went to Valatie, N. Y., where he remained two years. He returned to Vermont and was superintendent of the Shoreham school district three years. He is an ex-president of the Superintendents' association of Vermont and for seven years has been a member of the state teachers' examining board.

Mr. Collins is married and has three children. He is senior warden of King Solomon's Temple lodge, F. and A. M., of this place and is a member of the Delta Upsilon fraternity of Middlebury college. His new position at Hingham offers him a higher salary, and he will be enabled to take summer work in pedagogy at Harvard university because of the proximity of Hingham to Cambridge.

## SHERIFF RETURNS WITH PRISONER

Steve Brazach Arrested in Little  
Falls, N. Y., in Connection with  
Burglaries in Wilmington.

Sheriff C. E. Mann returned to Brattleboro this afternoon with Steve Brazach, who was arrested in Little Falls, N. Y., Wednesday by officers of that town in connection with the recent breaks in Wilmington for which Tony Alavro is now in Newfane jail awaiting trial by the county court.

It is understood that several articles that were missing from Wilmington were found in the possession of Brazach. Brazach left Wilmington as soon as Sheriff W. E. Howe of that town, who had been working to solve the mystery of the recent breaks there. Brazach will be arraigned in the municipal court this afternoon and probably will be bound over to the county court.

## COMMUNITY HOUSES.

Rev. D. E. Trout's Talk Before Women's  
Club of Special Interest.

The Women's club held a very interesting meeting in the Congregational chapel Wednesday. The speaker, Rev. D. E. Trout, spoke on Community Houses and outlined the tentative plans for the one here, which the committee recently appointed by the civic league is trying to materialize. Much more has been done by the committee than the public has realized. Mr. Trout said that no plans were yet on paper, but in imagination one can see the assembly hall, parlor, gymnasium and reading room. In short the plans are for a common center for village activities, which shall be non-sectarian, reaching out to do good for all the townspeople.

The talk was entertaining as well as very instructive and all present felt the enthusiasm and confidence of the committee as expressed by Mr. Trout. He described the community house at Holden, Mass., as a concrete example of what one town has done through this common center, although the Brattleboro house would have to be on a much broader and larger plan.

All present thoroughly enjoyed the three numbers given by a woman's quartet, composed of Mrs. A. H. Brasher, Miss Mary Bane, Mrs. W. H. Grey and Mrs. A. L. Maynard, with Mrs. A. P. Carpenter accompanist. An informal ballot for next year's officers was taken.

## BRITISH GIVE \$2,500,000 MONTHLY

Large Contribution to Belgium and  
France for War Victims.

LONDON, April 7.—The British government's contribution for the relief of Belgium and northern France is about \$2,500,000 monthly, Sir Edward Grey, the foreign secretary, said yesterday in the house of commons. He explained that this money was not paid directly, but was given by the Belgian government from funds loaned to it.

Sir Edward was asked whether the American government had contributed anything to the fund. He replied: "The United States government, of course, has not, so far as I know, lent any money to the Belgian government, and is not one of the allies."

No guarantee, the foreign secretary said, had been given that Germany would not commandeer the German ships now in neutral ports which Great Britain had allowed to be chartered by a Dutch company for the use of the commission for relief in Belgium.

Sir Edward explained, however, that the ships would not enter Belgian ports, but like other ships of the commission, would discharge their cargoes at Rotterdam.

Experience is something that everybody gets, even though he neither wants it nor knows how to get benefit from it.

## HARRY HALL FINED \$400

Bellows Falls Grocer Pays  
for Selling Jamaica  
Ginger Extract

## PICKETT TO SERVE DOUBLE SENTENCE

Asked Court to Give 10 Years to Of-  
ficer from Londonderry Who Aided  
Officials—Hughes Appears for State  
in Two Boozie Cases.

(Special to The Reformer.)

BELLOWS FALLS, April 7.—Two more liquor cases, making four which have come before the municipal court within a comparatively short time, were disposed of yesterday afternoon. One man was sent to the house of correction at Rutland and another paid a fine of \$400, with costs. The evidence was obtained through the so-called "agent" system, the amateur detective in the case being Deputy Sheriff W. M. Mosley of Londonderry. Both respondents were arrested by Chief of Police W. S. Severance.

John Pickett, 40, was the first to appear before Judge T. E. O'Brien. The state, through State's Attorney O. B. Hughes of Brattleboro, claimed that Pickett had made several sales of whiskey to Hosley. The respondent pleaded guilty to two counts, upon the advice of his counsel, Attorney George H. Thompson, and threw himself upon the mercy of the court. State's Attorney Hughes asked that an example be made of the man and that he be fined or imprisoned, or both. Attorney Thompson said that Pickett was without funds and that it would not be justice to impose a fine upon the man, who is broken in health, because he was penniless. Judge O'Brien sentenced Pickett to not more than five months in the house of correction on each count and ordered him to pay the costs of prosecution. Hosley was in court during the trial, and Pickett, after his case had been disposed of, asked Judge O'Brien to give the deputy sheriff "10 years in state's prison."

Harry S. Hall, who conducts a grocery business at 32 Old Terrace street, at the south end of the village, was charged with selling Jamaica ginger put up by the Hartford Extract Co., of Hartford, Conn., and that he had been guilty of numerous similar offenses of selling the mixture as a beverage.

The respondent said he had come to realize that it was being bought as a beverage and that he was stopping the sale of it, and he asked for leniency.

Hall paid his fine.

The state claimed that Hall had made a specialty of selling Jamaica ginger put up by the Hartford Extract Co., of Hartford, Conn., and that he had been guilty of numerous similar offenses of selling the mixture as a beverage.

The respondent said he had come to realize that it was being bought as a beverage and that he was stopping the sale of it, and he asked for leniency.

## PRICE DEPENDENT ON CURRENT USED

Contention of Connecticut River Power  
Co. as to Dummerston Petition  
—Briefs to Be Submitted.

The evidence put in by the Connecticut River Power company yesterday at the hearing before the public service commission on the petition of residents of Dummerston to be furnished electricity by the Connecticut River Power company was entirely of a technical nature. J. B. Mahoney, the company's superintendent of transmission, was one of the principal witnesses of the afternoon.

When Mr. Mahoney had concluded his testimony with reference to the load factor on the Vernon line, Mr. Hadley of the Fall Mountain Co. told of the load factors on the Westminster, Putney, Astead, N. H., and Saxtons River lines and E. M. Addis, manager of the local plant of the Twin State Gas and Electric Co., told of the load factor on the Newfane line.

A recess was taken until after the arrival of the 4.23 train in the afternoon when Mr. Smith of the Keene, N. H., company testified as to load factors on small lines with which he was familiar.

This evidence was introduced in support of the contention of the company that in the absence of a guarantee to use a specified amount of electricity the only means of determining what might be the consumption on the proposed Dummerston line would be to determine the load factor of other similar lines. On the amount of electricity used would be based the price to be charged by the company as fixed by the public service commission. Both sides will submit briefs.

## THE WEATHER.

Fair and Colder Tonight — Saturday  
Overcast—Northwest Winds.

WASHINGTON, April 7.—The weather forecast: Fair and colder tonight, Saturday overcast. Fresh northwest winds.

## First Baptist Church

Tonight, 7.30—Prayer meeting of the  
church. Read the book of James.

The Woman's society has engaged Miss Agnes Hersey, a graduate of the Emerson School of Oratory, to give an entertainment Saturday evening, April 15. Miss Hersey will be assisted by Miss Mary Bane and Frederic C. Adams. Miss Hersey comes exceptionally well recommended and an entertainment of unusual merit is anticipated. Admission 25 cents; children 15 cents.

## Sunday Services.

10.30 a. m.—Sermon; subject, Education  
in the Five-Year Program.

11.45 a. m.—Bible school. Classes for  
all ages.

3.45 p. m.—Junior Christian Endeavor.  
7.30 p. m.—Sermon; subject, The Great  
Mock Trial, "And Delivered Him  
Up to Pilot." Dugan's orchestra,  
chorus choir. Welcome to all.

## Centre Congregational Church

Tonight at 7.30—Services of praise and  
prayer. Topic, Parables of Judgment.  
Matt. 25:1-13; 31-46.
